

Drones, Virtual Reality / Augmented Reality, 3D Printers, NASA Tour

5-DAY HACKATHON BOOT CAMP

July 17-21, 2017

**at Houston Baptist University
for high school juniors and seniors only.**

 Immerse in Business & Entrepreneurship principles through hands-on, authentic learning experiences with exposure to "real world" experts, special guests, and conclude with a special field trip to NASA.

 Explore the world around them and solve real-life, practical issues that engage their hearts and minds while navigating the scope of the curriculum.

 Learn and use 21st Century skills such as innovation, creativity, communication, critical thinking, problem-solving, ethical decision making, collaboration, team work, time management, empathy, and leadership.

 Learn to work effectively with fellow team members and collaborate on daily responsibilities.

 Have fun with mixed reality equipment (AR/VR headsets), 3-D printers, and drones!

Only \$195

**Application
Deadline:
July 1, 2017**
